

Primary PE and Sport Premium 2022/23

At Brinscall St John's we have always placed a high importance on our PE and sport provision and have enthusiastic staff, coaches and volunteers who deliver high quality teaching of PE during curriculum time as well as providing a wide range of opportunities for children to enjoy PE and Sport through extracurricular clubs. We endeavour to give our children opportunities to experience different sporting challenges as they move through the school, and to develop their talents in appropriate competitive formats.

The government's commitment to provide new funding for Primary PE and Sport means that we can further develop and enhance the experience of the children at Brinscall St John's in this area.

In the financial year 2022-2023, we received £17,820 from the government to develop PE and Sport in our school. This amount, including any carried over underspend from the previous year has been allocated as below to improve the provision for St John's children in the years ahead.

At Brinscall St John's, we are using our funding to:

- Continue our membership of Chorley School Sport Partnership (CSSP), in order to work alongside specialist coaches and receive support in the development of PE and Sport in our school. This ensures that staff have increased confidence, knowledge and skills in teaching PE and sport.
- Further develop our provision of extra-curricular Sports clubs with Breakfast, Lunchtime and After school clubs including clubs led by CSSP coaches.
- Continue our commitment to school competition through entering more competitions organised by Chorley School Sport Partnership, local clubs and Chorley Council. The funding will help in providing resources and training to help prepare for competitions as well as transport and staff cover if necessary.
- participation in intra and inter school sports competition.
- Maintain staff development.
- Promote a healthy and active lifestyle
- Give children memorable experiences in specialist activities.

- Subsidise 'Outdoor and Adventurous Activities' provision.
- Subsidise clubs that carry a cost.
- Buy equipment and resources.
- Increase physical activity at lunchtime on our playground.
- Develop physical activity opportunities in other areas of the curriculum.
- Develop healthy hearts and healthy minds.
- Provide transport to competitions and festivals where needed.
- Offer a wider range of opportunities in sports to try and encourage children's participation and chances to join in with sports.
